EVENING CATERING MENU

2026

Evening *Catering.*

Once the evening party is in full swing, let us keep your guests fuelled with some fantastic catering options!

We have a range of traditional in-house evening food options available, and our exciting Signature range, predominantly served from food vans.

You can choose one evening choice for all guests, or we require a minimum of 120 guests to serve two choices.

As always, we cater to all dietary requirements for evening food and will require all dietaries 6 weeks before your Wedding day.

Please note some catering options are subject to minimum guest numbers or availability.
