DRINKS PACKAGE MENU

2026

Our *Drinks*.

Here at Stokes Farm Barn, we like to offer something a little different and always ensure the drinks we serve are of the highest quality.

We offer a wide selection of reception drinks with plenty of choices to suit all of your guests.

If you wish, you can offer a split allocation during your drinks reception and would recommend no more than two choices, which will be served to your guests straight after your ceremony.
